RACE TO HAMILTON ISLAND

Yesterday marked the end of the Rosemount Sydney Fashion Festival, with the Alex Perry, Jayson Brunsdon and Diet Coke Little Black Dress shows among the highlights. This week, designers **Collette Dinnigan**, **Camilla Franks** and **Gail Elliott** will add a bit of glamour at this year's Audi Hamilton Island Race Week, when the trio reveal their collections for the coming season against the backdrop of five-star qualia and the Hamilton Island Yacht Club. It will be a star-studded event, with the likes of **Antonia Kidman**, **Sarah Wilson** and **Terry Biviano** getting involved in the week's festivities.
